All others need from four to six inches. Provide perfect drainage and a good supply of moisture, match with good garden compost, fertilize and, if available, old, well-rotted manure.

All America Winner for 1953

Chrysler Imperial

AMERICA'S FIRST TRULY RED ROSE

The CHRYSLER IMPERIAL ROSE is unmatched by any other red rose. Its vivid, rich tones of crimson are enhanced by darker overtones of glowing ox-blood red, and the gem-like lustre of garnet in the folds retains its sparkling beauty.

Long, tapering buds unfold even in adverse weather, opening to large, high-centered flowers measuring 4½ to 5 inches with 40 and 50 wide petals. These are borne on sturdy, medium long stems. The opening of each rose is a thrilling spectacle of changing, iridescent shades of red.

The flowers are very sweetly scented with true rose fragrance.

In growth, Chrysler Imperial Rose is compact and symmetrical. Its abundant, dark green, semi-glossy, disease resistant foliage gives the bush the appearance of a handsome garden shrub.

Warmest, Richest, Most Radiant Yellow Ever Captured in a Rose

Sun Valley

At last—in "SUN VALLEY"—Germain’s presents the warmest, richest, most vibrant yellow ever captured in a rose.

Its true guinea yellow holds their magnificent brilliant tone in open blooms for days—even in bright hot sunshine—without a trace of fading!

The full, beautifully shaped buds open to large, strong and lasting blooms on long straight stems. The foliage is disease-resistant and its vigorous, shining dark green tone forms a perfect foil for the golden flowers borne in season-long profusion.

Rose growers, from coast to coast, conclusive trials, have found “Sun Valley” the purest, non-fading yellow rose—and one that holds its pure color better—than any yellow rose they have seen.

For masses of dazzling sunshine in your garden all season—and long lasting brilliant yellow bouquets—“Sun Valley” should be a “must” on your rose list.

All America Winners!

Truly deserving of its All America Award, Mission Belts will be your favorite too. All America Award Winner for 1950. Plant Pat. 922.

SUN VALLEY

The outstanding All America Rose Winner of a decade in vigor of growth and beauty of color. Beautiful long tapered buds of bright cherry open to immense long lasting perfect blooms of clear sparkling rose-pink borne nearly always singly on long slender stems.
